I agree to take part in the Cardiff University research project specified above. I have had the project explained to records. I understand that agreeing to take part means that:

1. I agree to be involved in an focus group, and I have read the Explanatory Statement, which I keep for my records
2. I agree to allowing the focus group to be audio-taped

I understand that my participation is voluntary, that I can choose not to participate in part or all of the project, and that I can withdraw at any stage of the project without being penalised or disadvantaged in any way.

I understand that any data that the researcher extracts from the interview for use in reports or published findings will not, under any circumstances, contain names or identifying characteristics.
